

## SWIM & DIVE TEAM REGISTRATION NIGHT

May 7<sup>th</sup>, 2019 5-7pm

### Concessions:

Concessions will be available at our home dive and swim meets. All swim and dive families have a choice: Donate \$20 toward concessions and we do the shopping OR sign up to bring 3 items to sell at the home meet (1 per meet is preferred but flexible).

If you are both a swim and dive family, only one concessions donation is required.

### Volunteer Shifts & Deposit:

Our swim and dive meets are run by swim and dive parent volunteers. Dive families volunteer as needed. Swim families are responsible to complete 3 volunteer points throughout the season. Jobs have been assigned a ½ point, or 1 point, depending on the complexity or length of the job. A \$150 deposit will be taken at registration from swim families. This is not intended to replace working shifts. The team's goal is for every family to do their part, and to return all checks. At the end of the season, deposit checks will be returned to those who completed their requirement. For those who have volunteered but did not complete 3 points, \$50 per whole point will be returned (up to \$150).

**Signupgenius link will be emailed and active @ 4pm on May 20th**

### Team Swimsuit/Caps:

Swimville will be available at registration for swimsuit fittings. Suits can be purchased that night or contact Emili Day [emiliday@gmail.com](mailto:emiliday@gmail.com) Christina Kissick has both latex and silicon swim caps available for purchase registration night.
